

Maini Materials Movement bags CII - SCALE Awards 2015

Maini Materials Movement Pvt. Ltd (A Maini Group company), won the prestigious National Award for Supply Chain And Logistics Excellence (SCALE) 2015, recently in Chennai. Organised by The Confederation of Indian Industry (CII) – Institute of logistics, Maini Materials Movement was conferred in the “Support Services for Logistics” category. The award was received by SA Mohan, CEO, Maini Materials Movement and Rahul Sagar, AGM-Marketing, Maini Materials Movement.

Commenting on the awards, Mohan said, “We promise to provide ‘Best-in-class material movement solutions that ensure optimal resource utilisation and high uptime for complete peace of mind.’ With India getting ready for next phase of economic reforms with progressive government in place and warehousing & logistics industry setting up for a boom, our customers see us as their preferred partner for intra-logistics solutions.

The recognition of SCALE Awards 2015 encompasses the excellence amongst logistics service providers and supply chain aspect of user industry. The award attests not only our innovative warehousing and material handling solutions, but also the high degree of customer orientation of our services.”

Om Group Inaugurates warehouse in Narsapura, Bangalore

Om Logistics Ltd. inaugurated its new state-of-the-art warehouse in Narsapura, Bangalore recently. Equipped with all modern facilities and connected with major hubs of Om Logistics Ltd., PAN India, this 32,000 Sq. Ft. warehouse will ensure the timely deliveries to all part of the nation. With ample parking space, dedicated Om professionals & fleets, the warehouse fulfills all the compliance of industry standards.

It is located just 3 km far from major production hub of newly developed Narsapura (Kolar Dist, 60 km Away from Bangalore) Industrial Area, which insures JIT deliveries within few minutes to our customers.

“Improving service to our customers is a top priority,” said Ajay Singhal, CMD, Om Logistics Ltd. “The convenient location of our new state-of-the-art warehouse will allow us to do that by reducing delivery time for our clients. It will also allow us to ensure that a cost-efficient logistics structure is in place to handle the anticipated increase in product volume in near future,” he added.

DB Schenker wins CII SCALE Award - 2014

DB Schenker in India has received the prestigious 'CII Supply Chain and Logistics Excellence Award (SCALE) 2014' – "Top Freight Forwarder of India" for the second time in a row, at the award ceremony organised by Confederation of Indian Industry (CII).

The recognition of SCALE Awards encompasses the excellence amongst logistics service providers and supply chain aspect of user industry. The user industry stakeholders includes from automotive, engineering, consumer, retail and pharmaceutical sectors.

In total, 212 applications were received for the nomination in various categories out of which 86 were shortlisted and 43 companies participated in the final round. Finally 21 companies were awarded in 14 different award categories after companies presented their Innovation Strategy to the CII jury on 21st & 22nd May 2015.

The award once again emphasises DB Schenker's leading position in India for providing end-to-end logistics solutions and its ability to cater to any industry and destination across the world.

"Customers are our focus behind anything we do and we innovate to bring maximum benefit to them. With the recognition we receive today, we assure our customers that we'll be adding more values to their business as a strategic and operating partner." said Shubhendu Das, Chief Operating Officer, Schenker India Pvt. Ltd.

Maini bags 'Best Cold Chain Material Handling Service Provider of the Year' Award

Maini Materials Movement Pvt. Ltd. (A Maini Group Company) is awarded with "Best Cold Chain Material Handling Service Provider of the Year" at the Cold Chain Industry Awards. The award ceremony was held during the fourth edition of Cold Chain Strategy Summit at Mumbai recently. The award was received by Rahul Sagar, AGM-Marketing, Maini Materials Movement.

S A Mohan, CEO, Maini Materials Movement Pvt. Ltd. said, "Our brand promise is 'Value delivered, Always.' We strive to offer our customers the right solutions and ensure lowest total cost of ownership at their end. This award certainly attests our outstanding contributions in temperature control intra-logistics solutions."

Maini Materials Movement offers a comprehensive range of material handling and warehousing solutions pertaining to cold chain industry. The range consists of galvanised pallet trucks, platform trucks, dock-levellers, lift tables, scissor lifts, stackers, Double Deep Reach trucks & forklifts and customised racking solutions.
